“ Knowing Byron and being friends for over 40 years he has always been a dear friend, he was like a brother to me. We worked together as mechanics at Wade's All Car. Byron will be missed by everyone that knew him. RIP, until we meet again.

“ I have known you basically my whole life. Allison and I have been friends since we were in 1st grade. When we all lived in Eaton Rapids I would come over to the house all the time. You would say it's like you had another child living at the house. I know I haven't seen you in a few years but you still reached out to me to make sure I was okay and doing well. Thank you. I hope you are at peace. Forever in my heart. Love you dad.

Love,
Kayla
