

Doretta Kay Malerba-Cathcart

November 17, 1952 - August 10, 2020

Doretta Kay Malerba-Cathcart "Punky," known by many for her volunteer activities, died August 10, 2020 at the age of 67. Doretta was born, raised, and lived her life in Charlotte, Michigan, and loved her community and giving back through many organizations. Born November 17, 1952 to Roger and Dorothy (Shaul) Pruden, she graduated from Charlotte High School in 1970 and spent over 20 years with Carter's as a store employee, manager, and working in the corporate office. Prior to that, Doretta worked with her best friend, Barb, at the Charlotte Country Club for 13 years. Some of her many volunteer activities include: Relay For Life participant and board member for many years; Charlotte Frontier Days committee member for many years, as well as General Chairman for multiple years, and Grand Marshall in 2015; and Potterville VFW Auxiliary working often at BINGO.

Doretta was not only loved and admired by her community for her generosity, but also by her family for her kind ways and always finding time for the important things in life. She was very proud of her daughters and her 4 grandsons, and really enjoyed trips to the family cabin in Harrison, and she dearly loved her Bassett Hounds Sam and Maggie and Shih Tzu Bella. Doretta was loyal, generous, and a hard worker, and gained even more admiration from her family and friends with the strength she showed during the struggles she faced over the years.

Doretta will be missed dearly by her family, including daughters, Melissa (Bryan) Foster, Marci (Jerry) Kohler; grandsons Blake, Bryson, Carson, and Bronx; brothers, Robert (Vickie) Pruden; Anthony Rodriguez, Tim Rodriguez, Dean (Candace) Rodriguez; sisters, Susanne Rodriguez (Todd Trowbridge), and Annette (Brian) Davis; step-mother, Jackie Pruden; many nieces and nephews; and dear friends, Barb Powers, Sue Wolcott, and Roxanne Ripley. She was predeceased by her husbands, , Michael Malerba II in 1987, Michael Cathcart in 2015; best bud Steve Cyphert; and her parents. The family is at peace knowing that Doretta is reunited with her son, Michael Malerba III, who passed away in 2007.

“ Punk and I go back more than 50+ years. Barb Mills Wells and Punky were the first friends I made after moving back to Charlotte in 1963. I'm so glad that we was able to get together a couple times before the virus it. I will always cherish our friendship.

I just know she is happy to be with her son and husband again!
Until we meet again someday Love you Punk!

“ Never will we forget Ms. PUNKY.. Sad to hear of her passing.. She lived down the road from us... Our son Kellan used to go down the road and hang out with her grandson Blake..her kindness will not ever be forgotten.. She took the time to bring some donuts to our home.. for our kids when Kellan had passed last year... She said she felt like he was a son to her as well and it really comforted me and I understood exactly what I feel she was everyone's Mrs. PUNKY... Spunky Punky.. Love to all her family and friends! May the Shalom and comfort of The Heavenly Father be with you all! Amber and Family

“ I'm so saddened upon learning the loss of Doretta. She was such a giving, caring, selfless woman who made her mark in our community. I was honored to be a fellow Frontier Days Board member and serve with her as our leader. She always had the best interest of the festival and Charlotte as her home. Her family was by far her greatest source of pride... she will be sorely missed!

“ THOSE WHO ARE TRULY LOVED

By Craig C. Turner

Copyrighted 2007

Those who are truly loved
Will never pass away
They live within the rainbow
On a misty sunny day.
Those who are truly loved
Will always be with us
Their memory is eternal
A love that never rusts.
So smile in the knowing
That they'll always be with you
They're the colors of the rainbow
Love illuminates their hues

Those who are truly loved
Live on for eternity
But now their pain is gone
They live in serenity
Those who are truly loved
Will always come to mind
In the simplest of things
The common little find.
So live in the knowing
That those who are truly loved
Live on within the rainbows
You see in the mist above.

“ Melissa, Bryan, Bryson and Bronx-

I am so very sorry for your loss. You are in my thoughts, my heart and my prayers. While reading about what an truly amazing person your mom was, I realized that she raised her daughter to be exactly like her....kind, thoughtful, loving and such a great mom herself.

Melissa, I can only imagine how proud she was to be your Mom and know what a wonderful daughter she raised!
