“ So sorry to hear of Doug's passing. He was my Parents advisor and later my advisor for years. He and I hit it off, and he was a pleasure to work with and considered each other friends. He genuinely cared.

“ On the way out my lake house is quiet and still
Turning lock key I say “bye Mom” - always will
Love a parent leaves will be with you always

Thinking of Kyle, Carissa and Troy
Seems so recent they were just girl and boy
Fun to see them grow and mature
Saddened to seem them lose one so dear

“ From adventuring in his Potterville apple orchard to swimming and boating at his home on Duck Lake, my memories of time spent with ‘uncle Doug’ were always youthful and fun. In later years I remember him glowing at every opportunity to talk about his grandchildren and their various accomplishments. Though my heart is heavy now, I will always recall my time with him fondly and appreciate every moment I got to share with Douglas Henney and his wonderful family.

“ Countless memories of the early years of basketball. Our tournament in Dayton was unforgettable! So grateful for the times on the lake and the hospitality Doug always showed to me as I grew up with Carissa. Our thoughts are with you as you grieve. Hold on to the memories and all the love he provided you with throughout the years.

“ Doug and I spent a ton of time together during our high school years. We were best friends as well as basketball co-captains together. Doug was a fierce competitor. He broke scoring and rebounding records that stood for years. He was kind and generous and was loved by a great many. I feel very fortunate to have known him. Though we lost contact with one another after high school, my memories are vivid and clear. Doug was a free spirit and always made me laugh. This is a sad day for me. My prayers and thoughts are with Steve, Sonya and the rest of The Henney Family. Rest In Peace Doug Henney!

“ I came to know Doug thru the dental practice I work at. I enjoyed his gentle nature and his passion for his work but even more so his family. He always spoke of them with love and pride. He was kind and always expressed interest in my family and interests too. It truly was a professional relationship that also had the added bonus of friendship. I will miss him and I wish peace and healing for his family.

“ I have so many memories of my brother and I. Being the oldest he always took care of me. He always wanted to make sure he was a good Brother. He was a great brother. I am so proud to have had him as a brother. His love for his family was endless. Even in the last days his kids and grandkids brought him so much joy. I will always remember Doug, with wonderful memories. I will miss him terribly. Glad I got to stay with him the last 3 1/2 months. It was so special to be with him.
