“ I remember him from Boy Scouts. He always helped out, I was a scout with his son. I remember one disastrous camp out that was hit by a storm, and he came and helped us clean up and opened his truck to us and helped clean up the mess. He was a good guy.

“ I have many good memories of Glen. He was my tallest handsome cousin and was very nice to me. He really made me feel special when he offered to take my friend and me to Camp Fire Camp near Hastings where we would spend the week, in his CONVERTIBLE (with the top down). Later in life, he showed up at the Senior Center, where I was teaching computer classes. He picked up the computer pretty easily and he was in his 80'S at the time. R.I.P. Glen.

“ We lived in a little home beside Grandpa and Grandma Whiting, which was next to Glen's family. Although we moved before I started school, I have wonderful memories of Glen. He was very kind to small children. I thought he was the most handsome man I had seen and he always had time to talk to me. Although I hadn't seen him in many years, I am sure he never changed his kind ways. My thoughts and prayers are with your family.
