“ Tess and family...we are sending our heartfelt condolences to you. We are still in 'shock', as are you! WOW! We have so many fond memories of Jim, that we will continue to hold dear to our heart. He was a stand up guy. He told it like it was and you could always depend on him. So glad for your visits these past few years! Coach (and I) were always glad to see you. It was fun to sit and listen to Jim and Dick reminisce about 'the football years'. We pray that you find comfort in your memories of him! You built a legacy with him that will live on through you and the kids. Blessings my friend!
