

John Mario Bartolacci

September 10, 1952 - June 16, 2021

John Mario Bartolacci 68, a man who was truly passionate about sports, passed away June 16, 2021 at his home after a courageous 50-year battle with cancer. A lifelong resident of Charlotte, MI John was born in Charlotte on August 10, 1952 to Joseph and Mary (Hemingway) Bartolacci, one of eight children in a family raised to live the Golden Rule. He married Sue Bower in 1987 and they raised their sons to love sports, almost as much as John did. As an avid sports fan (Go Blue) and athlete, John participated in golf, bowling and especially loved playing softball. He was on numerous softball league championship teams, State championship teams in 1987 and 1989, National Championship team (60 and over) in 2016, and ASA National Championship team (65 and over) in 2018. John volunteered many hours helping out the Charlotte Junior Oriole football program as well as the Charlotte High varsity football team coached by Paul Davis, and never missed a game or event when his sons were playing.

John was a Godly man, strong in his belief and kind, yet very stubborn. Always willing to help anyone, John was well liked, seemed to know everyone, and always found things in common with people he met. In addition to being a proud father, John also took a lot of pride in his lawn, he truly enjoyed doing yard work and keeping it looking beautiful. He also enjoyed working out at ALIVE, watching and participating in many different sports, and waxing his vehicles on Sundays at Bennett Park. John worked at Owens-Illinois in Charlotte until his retirement in 2012.

John was preceded in death by his parents, Joseph and Mary Bartolacci; and sister, Ann Grier. He is survived by his wife, Sue; sons, Kevin and Ryan of Charlotte; grandson, Theo; brothers, Joseph (Diana) Bartolacci of Charlotte; James (Lou) Bartolacci of Mason; Jeff Bartolacci of Riverview, Florida; sisters, Mary Jo Palmer of West Lafayette, Indiana, Nora (Anthony) Franzini and Lisa (James) Jones of Bradenton, Florida; and many nieces and nephews.

“ I enjoyed this presentation of John's life story, in a sad way. What a guy. So handsome it brings tears to my eyes just to look at him. My condolences to John's loved ones. We are cheering from the bleachers and sure you're on the winning side.

“ To Sue and family my sincere condolences. When I moved to Charlotte in 1985 from Nebraska, John was someone I got to know thru playing softball. We shared a common bond when it came to our love of the great game of softball. Later when I coached softball at Charlotte High School, Johnny would stop by the field to check us out. He'd say, Coach how we going to be this year and of course I'd share some comment and we'd both laugh. What a great guy he was! One of my favorites and tho I have not lived in Charlotte for several years I still have special memories of him. My thoughts and prayers are with you during this time of grief.

“ I want to say I'm so sorry to hear that John lost his battle. He and my Dad Johh Dunning played golf together and probably bowled together too. We had become good friends and will truly miss him. I got the opportunity to see him at one of the relay for life walks and met his boys and wife. What a blessing from God to have a beautiful family of love and support during his battle. I pray for all his family for peace and strength. Rest in peace John. From Denise (Dunning) Gress

“ John - It is with great confidence in Christ's promises that I pray you are experiencing the joys of Heaven with your Mom, Dad and sister. Rest in peace.

To the rest of the Bartolacci family, I really wish I had heard of John's passing in time to attend the services. I remember y'all so fondly (living in SC now so y'all is proper English even if your Mom would never have approved back in 2nd grade.)

I do hope to see you some time again when the Pray family isn't hosting. God bless you and your kids and grandkids (I have 10 grandkids myself.)

Sincere wishes for your peace at this tough time,

“ I met John in second or third grade and although, after graduation, I didn't get to see him on a regular basis, when our paths did cross again, I was always greeted with a big warm hug. Once in elementary school, I was lamenting the fact that I didn't have a brother, so he volunteered to be my pretend brother. He took this job quite seriously, playfully teasing me, calling me “pickle juice Pawli,” because I liked pickles, and challenging me to races on the playground, that he always won. One of his favorite things to do was come up behind me and yank my navy blue knee socks, that matched my school uniform, down around my ankles. That wouldn't be so bad, except that was before my mother allowed me to shave my legs, so of course, I'd take off after him in disgust, with him laughing all the way. He was known to make a comment or two about someone I had gone out with...just like a brother! Years later, John would often stop by my classroom, at the Middle School, and give me the latest news in town, and what was going on with so and so. And like so many, I would run into him at Alive, where he would pushing himself as far as he could. I miss those days, and I'll miss seeing John. He was a forever kind of friend. Rest In Peace now, John. You deserve it.

“ Praying for you John! And remembering you as kind and sweet, with such a healthy, positive attitude especially given the cross you had to bear. May God grant you Eternal rest and keep you in the palm of His Almighty Hand. Mary our Blessed Mother, be our Salvation. With love, Maraloy

“ Mary Jo, Joe, Nora, Lisa, Jim and Jeff: My heart is filled with sadness for the loss of John. We all grew up together on North Cochran many years ago. I will always remember that dinner bell your Mother would ring to round all of you up to come home. I ran into John years ago while out walking and he was walking his son's dog. We had a very nice visit. He would always honk when driving by my house from the school. May you cherish his memories. God bless all of you.

“ My family lived in the vicinity of the Bartolacci's and recall with fondness times all of the boys played softball in our backyard field on N Sheldon St. I saw John at Alive quite often. He always stopped to say hello and ask about my family. I knew he had been battling health issues for many years, but he never mentioned anything about it. He was just always focused on how WE were doing. THAT is the great kind of guy he was. Sending deepest condolences to his family and friends. He will be missed.

“ We were so sorry to hear of John's passing. He was so well liked and always willing to help. It was typical of John that he helped me clean snow off my car when it was cold and snowy. He just got out of his truck and started helping me. I know there are many other times when he helped someone in need. May God be with all of you.

“ Gosh where do I begin? The Barlocchi’s were sort of our neighbors growing up. They lived down the block from us on North Cochran. I was friends with Mary Jo but got to know several of the kids. I reconnected with John when he played on the same softball team as my husband. We would get to games early and many times he would play catch with my son and tease myself and my girls unmercifully. In later years my sister and I would run into him fairly often at Alive. He still loved teasing us “McClure” girls. He might say something like “Where ya been? Not here.” Letting us know of course that he missed seeing us. He was a great friend to so many and he and his radiant smile will be missed greatly. Say hi to my brother Dick when you see him in heaven John and rest easy. Your work here is done. God will be saying “we’ll done my faithful servant”.

“ I remember seeing John at Washington at the end of the day. He was friendly and kind and I knew as I approached him he'd say something funny to brightened my day. That's the memory I'll always have of John.

Rachele Beyerlein - June 18, 2021 at 07:43 PM

“ Like so many others will say, I remember John as this real nice guy that you just wanted to be around. Like you just couldn't get enough of his positive outlook on life even while he was dealing with the uncertainty of a battle with cancer. My life was better from knowing him, playing softball, baseball, basketball and the occasional round of golf. As young adults, Dusty and I lived next door to his parents Joe and Mary on N Cochran Ave and John always made a point to come over to see how we were doing. It's been since 1987 since I had last seen him but I'll forever remember that wide smile and pleasant disposition he exhibited.

John was like an Energizer bunny. He ran the race and never lost focus on life. I believe that's what the Lord wants us all to do. How blessed we all were to have him for so many years. Sue...I hope you sent some chocolate chip with black walnut cookies with him to give to my dad! My sincere condolences to your family. Thanks John for your determination and your fight for survival but now, may you rest in peace and know that the fight continues.
