

Lawrence Lee Treadwell II

August 24, 1965 - July 23, 2018

Lawrence Lee Treadwell II, a loyal and dedicated husband, father, and deputy, died Monday, July 23, 2018 in Detroit, MI with his wife by his side. Larry, 52, of Charlotte, was born August 24, 1965 in Lansing, the son of Larry and Geneel Treadwell. Growing up, he spent time with his grandparents on the family farm in Olivet, a place that remained near to his heart throughout his life. He graduated from Charlotte High School in 1984 before enlisting in the U.S. Navy and serving aboard the U.S.S. Midway in the Persian Gulf. Upon his return home, he worked in corrections at the Federal Correctional Institute in Milan before entering law enforcement academy. He joined the Eaton County Sherriff's Office in 2000 as a deputy. On October 3, 2001, he married Teresa Ann Freer before immediately answering the call to service in 2001 after 9/11, deploying overseas to defend his country. Upon his return, he completed his bachelor's degree and worked his way up to Lieutenant, overseeing much of the operations of Eaton County corrections, including the work release program.

Throughout his lifetime, Larry loved time spent in the outdoors. He enjoyed fall deer hunting on the Treadwell farm with his cousins in his early days, and his sons in later years. Larry and Teresa enjoyed family camping trips with their kids and traveling to many cheerleading events, where Larry served as the honorary camera man. Above all, Larry loved his family, devoting his life to their wellbeing.

Larry is survived by his wife of 17 years, Teresa; sons, Larry Treadwell III and Lance Treadwell; daughter, Meagan Treadwell; brother, Chad Treadwell; mother, Geneel; grandfather, Sterling Treadwell; and his nieces, nephews, aunts and uncles, and cousins. He was predeceased by his father, Lawrence Lee Treadwell, Sr., and his grandmother, Arlouene Treadwell.

Funeral services will be held at 11:00 a.m. on Friday, July 27, 2018 at the Charlotte Assembly of God Church. “ Thank you Lt. Treadwell for all you taught me in the corrections academy, and CPL class you will be missed. Treadwell family know that Larry was a honorable man and a great teacher, inspiring many students and Deputies though his knowledge, experience, and humor. “ Larry and Teresa were our neighbors for 10 years. I don't even remember who's house was built first. They were within a couple weeks. I do remember that Larry had the spare key to my home. He said he would look after me and the kids and he was there whenever we needed him. Even after I got remarried. He became fast friends with my new husband and made him feel like part of the family. Until I was remarried I was a single mom and never lived in a house by myself. I felt safe right away. Thank you.

“ Rest in peace Larry we were the cheer dads. we were the loudest ones at those cheer meets and always started the cheers. Great times. We watched those girls go all the way to the state finals. It was awesome you were the team photographer.

“ Every time my husband left to serve in the National Guard, Larry told me, "If you ever need anything, just call." And when our house caught fire in February and my husband was serving in TX, I didn't need to call. He called me. He told me was there and would be there for me when I arrived. He waited and watched for me and walked out to escort me in when I got there so I was never alone. He sat with me, talked to me, and stayed with me in my greatest time of need. And the next day he followed up by calling me again to see what we needed at a critical moment when I really needed someone to talk to. I'm sure there are countless people Larry said, "If you need anything, just call" to. Rest assured, he meant it. Larry's service to this community was went far beyond law enforcement and will always be remembered.

“ Larry and his family were our neighbors when he was growing up in Charlotte. We lost touch over the years but know he grew up to be a friend to many and will be missed. We send our sincere condolences to his family and the many lives he touched. Al & Mary Vercellino.

“ Larry was dads best friend and one of my best friends that I grew up calling my uncle. Sure learned a lot and made a lot of great memories with him over the years. Still doesn't seem real. A few of my favorite memories was when he shot his biggest buck and called me right after it happened. Another when I shot my biggest out of his deer blind with his gun, he was just as excited as me. We also bought matching quads a few years ago together. Growing up he never hesitated to take me to the gun range with him, give me some shooting tips, or take me out hunting with him. Life sure won't be the same without you Larry.

“ My son Lucas was chosen by his school to "shop with a hero". Clearly the pictures show, these two had a great time together. All you heard was belly laughs and seen nothing but smiles on each of their faces. It was a beautiful thing to witness and the memory will be forever still in both mine, and Lucas's heart. Two complete "strangers" accepting one another like they never were strangers before.

Larry will always be Lucas's hero! xoxo

“ We both love Larry - he is the father of our oldest grandchild, Larry Treadwell III. He has remained a part of family in our hearts and lives. He and my husband hunted together a time or two, but never a year went by that Larry didn't call to ask him to come hunting again. There were so many great times and laughs over dinners whenever we were in the area visiting our daughter and grandson. We got to know and enjoy Meagan and Lance, two other fine children! This has torn our hearts...we can't even process it all yet. Praying for all of his family with true grief for such a great loss.

“ We lived across the street from Larry and his family for four years. Friendly. Helpful. He was always quick with a wave and a smile. We just moved away about a month ago. My wife and I had a nice chat with Larry in our driveway as we were preparing to move. We joked and laughed. That is how I will always remember him. Our thoughts are with Teresa and the kids.

“ Larry took my position as Lieutenant at the County when I retired. He came a long way from the new deputy that was assigned to my shift when I was his Sergeant. We would still bring up and laugh about when he had first started and how enthusiastic he was about everything. He had just completed training and come on shift, and we both were running and responding to an incident, when he was trying to pass me and knocked me over doing so. We had a talk about that, and about a week later it happened again. I sat him down the second time and told him he needed to not get so excited, and if he knocked me down again, him and I would be tangling. We both laughed, but he didn't ever run me over again. Such a great guy, and he would do anything he could for you. He always thought of others first, and would put his all in to anything and everything. He will be truly missed, and my thoughts prayers go out to his entire family.

“ Larry and I worked together for a few years while he and I were at FCI Milan. Larry was one of the easiest going people that I had the pleasure of knowing. I can remember how proud and excited he was when he departed to work for the Sheriff's Department. I'm so very saddened to hear of his passing today.

I offer my deepest condolences to Larry's friends and family and in particular, to his wife and children. Rest in Peace Lieutenant Treadwell.

“ Larry was one of my favorite customers at speedway. He would come in everyday to get his tea and more often than not he would wait patiently and chat with us as we made more for him to finish filling his cup. He will be missed by all of us. My prayers go to the Treadwell family, I am sorry for your loss.

“ My boys and I volunteered at the fill a cop car event last year with Larry. They remember his laughter, and willingness to show them "the ropes". He might have inadvertently locked them in the cop car, but it was all in good fun and humor.
