“ I have only two memories of Matt. The first when I spent the summer at Aunt Paulines and visited Aunt Ruth and Matt was there sitting on her dinning room table. I have pictures. So precious at 1 yr. old. The last when he and Tina came to lay Aunt Ruth's ashes at her mothers grave and we got to visit. So glad I have those memories. Prayers for all the family. “ Matt was a student of mine at the alternative high School in Holt. I appreciated the keen interest he displayed in the issues we discussed in class. He an active mind, asked good questions, and brought up interesting perspectives. But even more, I found him to be vibrant and full of a positive spirit. I loved talking with him one on one, and I admired his openness and kindness. It has been almost thirty years since I talked with him, but he lives in my memory as someone I would have liked to know as an adult. He will be missed.

“ Oh Matt where to begin, you were like a big brother to me growing up. On Hosmer st. you stayed many nights and everytime you stayed you slept on the couch, and I just had to sleep on the floor right next to you. You let me go everywhere with you even when you went to kevins house; I wanted to go. When you cut your hair off I was shocked but you were still handsome. Ill never forget the great memories we had together, and your smile, and laugh will remain forever in my heart im going to miss you until we meet again. Love Marie~
