

Robert Lloyd Eitnrear

May 7, 1933 - March 28, 2021

Robert "Bob" Lloyd Eitnrear, 87 of Dimondale, died March 28, 2021. He was born in Dimondale on May 7, 1933 to Merle and Flossie (Hart) Eitnrear. In 1956 he married Roberta Button and they had two children, Colene and Robert II "Robbie." Bob was a talented builder, and he could make just about anything. Officially retiring from building in 1994, Bob had more time for the other things in life he enjoyed, including hunting, drawing, watching wildlife, feeding and watching the birds and squirrels at home, cooking (he especially loved the family and neighborhood pig roasts with the roaster he built), and making things for people with his building skills.

Bob is survived by his daughter, Colene (Mike) Foster; grandchildren, Jamie (Dustin) Howard, Zach (Diana) Foster, and Josh (Tab) Foster; 6 great-grandchildren, Mallory, Kaylee, Luke, Agnes, Mason, and Avery; siblings, Shirley Gilbert, Jake Eitnrear, and Ann (Wayne) Vahs, and many nieces and nephews. He was predeceased by his wife, Roberta; son, Robert "Robbie" Lloyd Eitnrear II; his parents; siblings, Wayne and Ted Eitnrear; and special-friend, Phyllis Harkins.

Friends are encouraged to support Bob's family by sharing memories on his tribute page at <http://www.PrayFuneral.com>. A celebration of life is being planned. If desired, the family suggests memorial contributions to a college fund for his great-grandchildren (checks payable to Colene). The family is in the care of Pray Funeral Home, Charlotte.

“ Bob and my dad, Milo (shorty) Smith were great friends for years. He did pig roasts at our house too. I would see him at the store in Dimondale and always had a great visit with him.

“ Grandpa always lit up around the kids. We treasure the memories we have with him and the drawings he has sent over the years.

“ Robert was like another grandfather to me and always treated me like family. I'll remember all of the taco nights and good times just hanging around the barn. He will be missed dearly by all that knew him.

“ I remember all the great pig roasts, him playing the harmonica and guitar right along with Bob Woodman and his band. All of his fantastic drawings and the many things he made my hand. Talented in so many ways! He will be missed
