“ Evelyn and Mary

We will miss Robert also. We realized that he is the reason Wil and I are together - Massive Mt Rushmore date. Will have to share the story some other time. He took good care of everyone he loved. But now he can be with the Father and really be the angel for all of us.

“ Robert was one of the nicest, most helpful people I have ever had the pleasure of knowing. He was actively involved with our church...dependable and committed. His death leaves a very big hole in our church family. I already miss him very much. Evelyn, you are in our prayers and I hope you know that your church family will be here for you in the coming days. I am so glad that we were able to have the concert last fall, and that Robert was able to be a part of it. He was so very proud of you! I will always remember the way he smiled as he watched you play that guitar....God bless you!
