“ My heart hurts from the loss of you, Terry, a long-time family friend who always offered to help my family when needed, including bringing my dad from California back to Michigan after dad had a medical crisis. I hope to always remember backyard cookouts with our family, you, Di and your sons, and of course, the water fights (especially Bev!!). May you rest in peace, my friend, as you reunite with your beloved Diana. To the Ackley family, my prayers and sympathies. Hugs xo

“ My thoughts and prayers to Russ and the rest of the family. As kids I remember our love for pro wrestling, I remember Terry wrestling with the boys. And also being involved in our boy scouts. Take care ♡

“ So sorry to hear of Terry's passing. I graduated with Terry in 1966. Terry was a hardworking and faithful football player. I am happy I got to see him at our 50th class reunion in 2016. So nice to see Terry had many grandchildren. May Terry Rest In Peace, and may his family experience comfort at this difficult time. Greg Ross
