Warren Arthur Caruss, 75 of Dimondale, a guy who enjoyed learning about the world around him and enjoyed finding the humor in situation, died October 21, 2021. “ Warren was extremely knowledgeable about food, wine, and drinks! When I was very young working in my dad's bar "The Huddle" Warren would come in after work, and have a draft sitting at the end of the bar. The first time someone ordered a Margarita I had to ask Warren how to make one. He helped me learn a lot about tending a Bar and helped me get a job in TC at the Top of the Park where he was Matier D supreme. He also let me rent a room in his place when I first moved up to TC. Sending my thoughts and prayers to Warren and his family.

“ Warren, I will miss you! I was honored to call you my friend for the last 21 years. I loved all your stories you told from backpacking thru Europe to working in the Restaurant buisness! I will miss our times going to lunch and dinner together. My thoughts and prayers are with the entire Caruss family during this most difficult time. May he rest in peace.

“ Played a lot of Euchre with Warren during the slow hours in my restaurant. If he was dealer and a bower turned up he would say "My Daddy always said, never turn down a bower".

“ I cannot say enough good things about Brother Warren Caruss. He was the model Mason and knew ritual and history for nearly every Order. Br Warren was a friend to all and never a bad word about anyone. He supported our Fraternity, all bodies, with unending hours of his time. I will miss Br Warren more than words can express. My deepest sympathy to his family. So long Brother Warren as your have a cheerful greeting from Brother Wayne and join many others in the Celestial Lodge. You were cut out of a mold of ethical and moral values always respected with the highest esteem. Some day I hope to see you on the other side of the bar.

Your friend,

Brother Dan Bargy,
Secretary, Potterville Lodge 367 F&AM
