“ Alberta was one of the most loving and kind women on earth. She would be like a magnet to lost and hurting souls. Giving of her time, home, energy, and faith, Bert would welcome strangers, acquaintances, or friend into her home and feed them physically, spiritually, and mentally from her stockpile of kindness. May God continue to fill us with that kind of love and kindness through our end days. He certainly blessed me with Alberta Winstead Duffrin for a lifelong friend.
