“ Leah, Rosalie and family - It is so hard to believe, Amy was so full of life and she has left us all way too soon. I too worked with Amy at ORS. She had a wonderful laugh and her positive attitude about life in general was always amazing. May your memories help ease your pain. Amy will be missed by so many. Rest in Peace my friend.

“ I was so sorry to learn of the loss of Amy. I remember Amy as a neighbor and classmate--we grew up together on Kimberly Drive in Charlotte and graduated in the same class. May peace, love, and sustaining memories surround your family during this time.

“ I, too, am an ORS co-worker. I sat next to Amy for several years. I always envied Amy's lust for life. She knew how to enjoy life and never missed an opportunity to join in something just for the experience of doing it. Amy loved and was loyal to all who were close to her. She accepted everyone for who they were and would have done anything for anyone. This caring, thoughtful being once made me a very complicated ice cream cake for my birthday (brought it from Charlotte to the GOB..something that required special care) just because we had talked about the recipe and she knew I'd like it. The world has definitely lost an asset and we are all better people for having known her. My sympathies to all who loved her as much as she loved them. I wish you peace.

“ I am still in shock at the news and am still in disbelief. Amy was an amazing person and I enjoyed reconnecting with her on Facebook. Fighting over the "better" team and even talking about the times we had working/fun we had working together at Spurgeon's. My prayers are with all of you during this difficult time. She will be missed.

“ I didn't know Amy well in HS but we connected over Facebook. I loved hearing her stories about going up North, going to the casino, playing Keno (and winning), the Spartans, the Tigers, golfing, her animals, spending time with her family and friends, and going to the Library Pub for drinks with Leah. I joked with her that the Pub needed to make her a face plate with her name on it and one for Leah, that way the other patrons knew that those seats were reserved. She was taken way too soon. My heart goes out to her Mom, her siblings, Leah, her nieces and nephews and Leah's children. She loved all of you and spoke of you fondly. May you be comforted during this time of transition. I'm sending love and hugs to all of you. RIP Amy, you'll be missed.

“ To Amy's family - How saddened we are by the loss of such a wonderful person. Amy and I worked together for a number of years at ORS, and what I loved the most was her smiles and her laugh. Our days were never boring, with Amy around! For awhile, I was her 'boss', and she liked to call me that, with kindness in her voice. She had a huge heart; such a caring and loving person. She will missed by many. Rest in Peace, Amy

“ I worked with Amy quite a few years ago at ORS. She was such a kind-hearted person. Very helpful and always smiling. I'm so sorry for your loss. There are no words to heal your sorrow, but maybe knowing how many people loved Amy and thought she was such a great person will give you some comfort at this very difficult time.

“ To Amy's family and friends, and especially Leah, There are no words to express how shocked and sad all of us in Houghton Lake are about Amy's passing. We got to know both of you over the past few years and appreciated what a happy and wonderful relationship you had. Amy was a very special person. Deepest sympathy.

“ Dear Leah, Jonny, Amber, Rosalie, Kim, Rob and family Words cannot convey how sad and I am to hear of Amy's sudden passing. I worked with Amy at ORS and I loved her zest for life and my day was always brightened with her smile and laugh and positive nature. I loved following her on FB and hearing of her casino trips and Keno wins, her time up north, and joy at spending time with those she loved and held dear. Heaven certainly gained a special angel. Amy will be deeply missed and I am so glad our paths crossed. Rest in peace Amy and God Bless your family during this time.
