“ So many memories; Halloween parties as kids, more adult parties as we got older. haha Tom was there for a few. Andy was more than a friend, he was a brother, and I'll miss and think about him every time I sit around a bonfire.

“ *Although we hadnt been close in quite some time because life took us in different directions, My heart breaks.. he was my very first room mate after I moved out of my parents house, he was the guy we all had crazy times with..he was stubborn and sometimes to outspoken for his own good but he also had a big heart and would do anything for those he cared about.. while he may no longer be on this earth, the memories he helped to create will last forever with those that called him friend..RIP Andy you will be missed.*

“ *Andy was always so much fun. We were in 4-H and rodeo together and you couldn't ask for a better person to help you with a horse. We had a lot of fun together over the years and I'll never forget him. To Jerry and Sandy, I love you very much and you guys are such dear friends to me. All my love and prayers to you*
Sincerely

“ In high school, Andy, I and some other friends hung out in the foyers before class started in the morning. We had a lot of laughs out there (and sometimes mischief) ;) RIP my friend, can't believe you're gone.
