

Angela Rene Crozier

May 14, 1970 - May 11, 2023

Angela Rene' Crozier, 52 of Charlotte, a loving daughter, sister, mother, grandmother and friend, passed away peacefully on May 11, 2023, surrounded by family. Angela was born May 14, 1970, in Charlotte, the daughter of Tina (Tim) Hart of Bellevue and Bill (Ann) Crozier of Charlotte. She is survived by her parents; sisters, Lisa (Russ) Green of Bellevue, and Laura (Mike) Fuller of Pleasant Lake; children, Derek Cuff, Christina Torre, and CJ (Bre) Torre, all of Charlotte; grandchildren, Zander, Mae, and Josiah; step-sister, Amy Schultz of Huron, OH; and her companion, Brian Burke of Charlotte. In addition to her biological family, Angela is also survived by numerous friends that she called her chosen family, and bonus kids that have become a significant part of her life over the years.

Angela loved to cook and always made everything from scratch. It was common for her to spend days making a meal for family and friends. You could taste the love in her food. She was the Charlotte Frontier Days Queen in 2004, helped coach CJO football from 2003-2007. Angela loved to travel and explore new places. A couple of her favorite and more recent trips were a month-long road trip with grandson Zander to hike West Glacier National Park in Montana the summer of 2020 and going to Ireland with her "travel buddy" Laurie in August of 2022. Angela worked as the Recruiting Manager for Michigan Public Health Institute (MPHI) in Okemos. She loved her career and the people she had the privilege of working with. Angela often said, "I have

been blessed beyond measure to work for such an amazing organization with exceptional people."

Angela left us far too soon, but often stated she believed her medical condition was "truly a blessing and gift from God. How many people leave this earth without any warning at all? God loved me and you enough to give us a heads up that this was coming. This allowed us time to prepare and gave me a chance to say goodbye to those closest to me. We will all leave this earth at some point, make sure your house is in order before you do! It is ok to be sad, it is not ok to stay sad. So, cry today, but remember - I am with the Father and waiting for you to join me. Make sure He knows your name!"

“ I first met Angie in Junior High. I remember going on ski trips to Cannonsburg. Her Dad use to sell cars from that old house they had on Lansing road. I will regret losing touch with her for the rest of my life.

“ Angela always had a way of inspiring people to bring their best selves to the table. Whether you were working through complex topics or stuffing envelopes, she always had this amazing ability to make everyone feel valued and empowered by demonstrating that every task/person is important. She was a source of strength and counsel for me, and she is deeply missed.

Although her favorite color was purple, I chose to light a yellow candle to match her sunshine.

“ My first memory of Angie is when her sister Lisa coached our softball team Gale Briggs when we were very young. We became friend and would often hang out after school, we just lived down the street from each other - always had a beautiful smile and and so cheery. Currently she was helping with Frontier Days as she could- she will be missed by many - such a beautiful person
