Angie will be dearly missed. I will always remember her up north at the cabin with me and my family. She was a wonderful caring person and I was so happy that she was there for my grandson Caiden. She might not be here in person but she will always be here in many wonderful memories. My thoughts and prayers are with the family.

“ *Peace in Heaven my Dear Cousin! I cannot remember a time in my life without Angie in it... our family will suffer a deep loss as we move through the years without her.*

*You're peacefully now sleeping
In a world of purest light,
Where Angels sing their sweet refrain
And everything shines bright.
Beside the tranquil waters
You walk along each day,
Where the blossoms are so beautiful
with the colors they display
You're so dearly thought of
And every precious memory,
Has left a lovely rainbow
That will last eternally.*

Love you Angie Baby!

“ Angie was one of my first friends. It didn't seem to matter the amount of time between visits we always seemed to be able to pick up where we left off. She had a strong spirit and she will be missed.

Love, Deb (Smith) Kloepfer and family

As a child, I was excited when the Wright girls came into our family. They immediately became my best friends as cousins. As kids we became close. Angie was always the quiet one who stood back and stood strong. I always admired that in her. She was her own person, a strong women who never let life stop her. Soar High Angie. You earned your wings.
