“ Hi, I wanted to wish you my thoughts and prayer. I am so lucky that I was able to meet "Grandma" through her visits with Paul in Grand Rapids. I saw the love she had for him and he for her! She had his heart and I am so happy he was able to come home for her last birthday party! and that he was home earlier this month for his! He was able to see her then. I will always think of her when I have sliced cucumbers and Mayo sandwiches! She gave me the most tastey Ideas for meals and great recipes. I will see her always in Paul. It will be my pleasure to keep her memory alive in him. My prayers to the whole Kramer family, during this hard time. May God bless you with His peace. With Love, Lori Gray

“ I am so sorry for your loss. I just happened to be in Eaton Rapids and heard about your mother. I remember her as such a sweet person when she and your dad would come into my dad's restaurant (Monty's Grill). You are lucky to have had her for so many years. My thoughts and prayers are with you.
