“ I was sorry to hear about Barb's passing. I worked with her for many years at the MSP academy. Those were interesting times that changed many things about the law enforcement discipline and she was a part of all that. I remember going hunting on her farm once and how that became an ongoing joke in our office. Let's just say, I didn't get the bird!
My condolences to the family, my thoughts are with you.

“ Barbara was a happy, caring, and always helpful person. I knew her when she worked at the Michigan State Police Academy, for the Michigan Commission on Law Enforcement Standards, and I worked for the Michigan State Police at the Training Academy near Charlotte. Barbara was a friend, always smiling, easy going, good hearted person. I was proud to have her as a friend and confidant. I will miss you Barbara, until we meet again! Your eternal friend, Bob Muladore.

“ Barbara worked with me at Kenrich Construction in Lansing, which was owned by Ken and Dick Granger. I was the general manager for the company. Barbara was a wonder person and worker. She never complained and exceeded my expectations as a corporate secretary. All these years I never forgot her pleasant manner and always considered her to be the first lady, which she was. I will look forward to seeing her in Heaven. Lord bless her soul. My sincere condolences to the family. Kip Williams.

“ MY favorite memory is of Barb and Dan in the fall of 1990. Our sons Rod and Phil played football for the Orioles and we were at Jackson West. It began to snow hard during the game and one by one spectators left the stands and headed for home while the game continued on. At the end of the game only three people remained to cheer our team to victory. Barb, Dan and me. I can still remember the radiant smile on Barbs face through the blinding snow. I will be forever grateful for the time and love the best family shared with our family always making Phil believe they were his parents too.
