“ *My Condolences to Great Uncle Carl and to family. My Great Aunt Barbara was a wonderful person. When she would come down to Florida to visit, there was always so much laughter at the dinner table where her and Grandma Gibbs would be talking and catching up after dinners. I remember them having so much fun together. Love Diane Harden*

“ *I remember my Aunt Barbara with lots of good memories. She and Carl came to N.C. and brought me a blue afghan that she had made for my house there. I will always have it as one of my memories of her. We had a lot of laughs together. She will surely be missed. Our condolences to Carl and family, love JoAnn & Dean*

“ Dear Carl, Jerry and family, Linda and family, and Jim and family. I am so sorry to hear of Barbs passing. She truly was a very special lady. I have so many fond and wonderful memories of her and always considered her my extra mom. I can remember her riding the motorcycle, working on the new house, camping out and boating, scolding Linda and I for bringing the baby kittens into the house and hiding them under the blankets - where one of them so inconveniently made a nasty mess. She was always so loving, fun to be around and accepting. She welcomed everyone into her home and her heart. I know your loss is great. Just know that she lives on in each of you and in all our hearts and memories. My thoughts and prayers are with you all. Cindy L Eaton

“ Lynda-I just watched the wonderful video of the pictures of your mother...VERY NICE. The one thing I noticed about your mother from those pictures was her smile. Her entire face smiled, not just her mouth. You can actually see her eyes twinkling in a number of those photos. She must have been a woman who truly loved her family and friends. I offer my deepest sympathy to you and all those who loved your mother.
