“ My love and condolences go out to the Rodriguez family for not only their loss but ours too. Bertha was a wonderful happy women with an incredible smile. She touched my life and taught me Spanish words that were allowed to be said in public, while she sat and drank coffee visiting with my family in my childhood home on Sheldon street. May your family find peace and solace in knowing she is now with Rod, looking down on us with that beautiful smile. God bless your family in this time of sorrow.
