“ John, I am sorry to hear about your loss. If your mother was suffering from Alzheimer's disease as the notice indicated, I am sure you have mixed emotions. She will undoubtedly be deeply missed by you and your family, but she is in a much better situation now. You will see her again under better circumstances. Death and separation is not our final state. Family relationships are meant to be forever in God's plan for His children. Alan Jepsen

“ I miss you so much grandma. I love you with all my heart and just like I said before, I am glad you are back with the love of your life. You were able to be with grandpa on the sweetest day of the year. I know you and grandpa are watching over all of us. I miss you and even though a part of my heart is missing, I know you are no longer in pain and you are the most beautiful guardian angel. Until we meet again. I love you and you are in my heart. Forever.
