“ I would like to pay tribute to my loving husband, father of my children, and best friend. We have been through so many things together hotdog, where do I begin to express the love I have for you and all you have done for our family. From the first day we meet at work in June of 1990 to the last day we spoke August 15, 2014, I have always known how very much you love me, and our kids. We are all proud of you Bobby and all of your accomplishments, from your successful roles with the United States Army, to your positions with the State of Michigan and G.C. Services. You followed this up by taking on a ready made family, becoming Michael's soccer coach, playing an active role in cub scouts, to supporting both the boys with their skate boarding and roller-blading, to Alicia's softball and cheer leading. You were always so willing to step to the plate for the love of your family no matter what the need was. Your love of music, cadillac's, race cars, and the Army will forever be with us and we move forward in the days ahead without you. Although we are going to miss you dearly and it is so difficult to move on without you, we would not wish you back to the pain and suffering you endured for so many years. Instead we will choose to hold you in high honor's and celebrate all that you are and all you have taught us to be. Know that nothing can separate us, our love for you is eternal, and ever lasting, as we know you feel the same. We wish you well on your new journey, we are grateful you have found peace again and are now pain free. Our grand children, Madie, Aiden, McKenize, and baby Kemp to be, will surley miss you grandpa and all that was meant to be. Heaven holds a great place for you with much work to be done. Please remember to check in on us and guide us through our pain, until that day heaven opens the doors for us and we all meet again. You are forever in our hearts and souls, and you will always be my best friend. Rest in Peace Bobby, we love you more than words can say be our guiding angel and help us to find our way. All our love to you, Michelle, Michael, Bobby, Alicia, Sarah, Allie, Casey, Madie, Aiden, Mckenize, Mara and your new unborn baby grandson too.
