“ *My senior year (2019) I was still riding the CACC bus, and that year Brady was also attending and riding the bus. Although most of us were hitting our midday crash by the time we got on that bus, Brady used that time to relax and bring such good vibes and laughs. And he didn't exclude anyone either. If he had to, he would make sure the whole bus heard a funny joke so that people in the front listening could get a laugh. But never at the railroad crossings when we had to be quiet so the bus driver could listen for trains. So respectful, and knew when to be serious, work hard, and also when to be joyful. His light will be missed in the world.*

“ I had the pleasure of having Brady in my home with Logan , Amelya, and Kim Williams for a month when Covid hit. Brady was the perfect guest the whole time. They had fun and I enjoyed every minute of him being there. He helped with puzzles, played games, swam in the pool and even colored Easter eggs . He will be missed.
