“ *The man I wish you knew.  
This man has the most infectious smile that captivates everyone  
when he enters any room.  
He gives to his family comfort, and joy through his calm, loving soul,  
and his soft spoken words.  
He walks through life with an adventurous spirit and a yearn to find  
the calm that the whisper of peace could bring.  
This man loves his son with his unconditional love. Love that takes  
up his every thought, his every purpose in life.  
This man touches the world around, leaving it better just for him  
having walked through it.  
This man, my nephew, is you.  
I wish you knew him the way that I did, for you too would admire  
and miss him the way I now miss you.  
I will love you always Brandon.  
With all my heart,  
Uncle Kurt*
