“ *It will be the little things that you will remember, the quiet moments, the smiles, the laughter. And although it may seem hard right now, it will be the memories of these little things that help to push away the pain and bring the smiles back again. You are in our thoughts and prayers... “ *I love Uncle Brett and Aunt Cyndi very much. I didn't get to spend near as much time with him as I would like to but luckily facebook provided the opportunity to stay in touch over the miles. Brett was always sweet to his girls and Cyndi and is always smiling, I can say he still is because I absolutly believe he is in Heaven smiling at his wonderful family that is celebrating his life. I love you Uncle Brett and think about you a lot.*

“ Our mothers (Betty and Wendy) worked together "back in the day" at Wrigley's Grocery Store. Once or twice a year our families would get together and hang out and to this day I remember loving to go over to The Millers on Cochran because their living/family room had this cozy shag carpeting on the floor and the walls. The Sherman kids always thought that was really cool. As we got older we had a different circle of friends but we always said hello and thought of each other as true friends. I did reconnect on Facebook with Brett and always looked forward to chatting with him about his new life in Wyoming. Brett was a great guy and he will truly be missed! My thoughts and prayers are with you. Love your friend, Kirk Sherman :)
