“ I met Candy in 2006 at her dad's business in charlotte. She was a very nice lady. I'm shocked to hear of her passing. Prayers for her and family.

“ I will always remember Candy's beautiful smile and laugh. I met her when she was 7 years old and her kindness and caring of others never stopped. I spent time with her shortly before her passing and she beamed while talking of her family. She was full of love to give to her family and friends. She will be greatly missed by many of us here but is now with her mom, sister, brother, and grandparents. "Rest in peace, sweet girl".

“ My heart is so very heavy after hearing about the sudden loss of Candy. Although I hadn't seen her in many years, I have thought of her often and wondered how she was. We worked together at Wilderns Drug Store and I will always cherish the time that we spent together behind the counter on Cochran Avenue.

To her loved ones, I am so sorry for your loss. I can only imagine the hole that her passing will leave in all of your hearts. Candy was such a beautiful and kind soul, may she shine as bright in heaven as she did here on earth.

*My prayers and love,
Kerrin (Sudrovech) Hetland*

“ I remember prom dress shopping in Grand Rapids. I'll never forget how beautiful she looked in all the dresses she tried on. She was a sweet, smart, quiet beauty, with a caring soul. Absolutely beautiful in every way.

“ My condolences to the family of Candy J Bahr. I pray that God will give peace and comfort for all who knew her well. Sudden unexpected death is very difficult to wrap your mind around. It sounded like she was trying hard to help support others in the last few years. May God bless those who were touched by her life.

“ Candace was a very dear friend of mine in the recovery community. She was my sponsor, and treated me like I was a little sister. We found joy in pranking each other. I once gave her an incorrect phone number thinking she'd catch on (I told her my phone number was 517-867-5309, and she called them.) I quickly had to tell Candace it was Jenny's number! A slap well earned (hahah). I looked up to Candace, and she always inspired me to be a better person, every day! She always spoke from the heart, and when she spoke, people listened to her. She was so wise! She will be missed dearly by the recovery community. I am so sorry for your loss, my prayers are with the entire family, especially Stevi and Charlee Jo. She was proud to be their mom, and talked about them all the time!

“ There are absolutely no words that can express how much Candace meant to me! She was my best friend, and my soul sister. My heart is heavy with sadness! One of my favorite memories is our car rides up north to Serenity Ridge! She loved how peaceful it was. She would get so excited. She will always be my twin flame. Our recovery community gave her a beautiful send off on Saturday. We sent over 50 balloons with special messages. She was loved by so many. Her inspirational messages touched many. When she spoke last year at the ladies conference she spoke in front of 150 women. She had the courage to talk about addiction and Mental illness. It is sad that I will never get another hug from my best friend. What I know, is she is finally at peace. God speed to you all! Angela Bachman.
