“ I am very sorry for loss of your Mother, Grand-mother, Great Grand-mother Carole. I regret that I did not know that she was in Michigan. Carole was my best friend in the 8th and 9th grades. She was my buddy. We managed to get into a few scraps together but nothing serious. When my mother was taken away from me Carole's parents Mr. & Mrs. Spenny took me in and I was able to finish my 9th grade. I was very grateful for their love and caring. Regrettably I had to leave their home. After that I lost complete touch with them and with Carole.

*My love and thoughts are with all of you.*

“ We will remember the days we camped at Thornapple Lake campground with Carole and Terry. Many fun weekends sitting around the campfires, weekend potlucks, and fishing. Many good old days having fun! She was always my go to person when I had questions or needed supplies for making cakes. She was the Cake Lady, making great cake creations. She also made beautiful fleece blankets. I still have two blankets she made, and will forever cherish them. She was a lovely lady. We will miss her dearly. Prayers going out to your family during this difficult time. John & Rita Dunham.
