“ *I was very close to Aunt Carolyn growing up and always looked forward to spending a week with her each year during summer vacation. Memories of making popcorn and endless games of Yahtzee. Potato Chips were our favorite food and she taught me how to make potato chip sandwiches - which I loved. And she made the best peanut butter balls at Christmas! She was easy to talk to and laugh with. I will always cherish the memories I have of her. She had a kind heart and beautiful smile. She will be missed.*

“ *My fondest memories of Aunt Carolyn are when I was a kid. They would have Christmas at their house and it would be packed with all of the family. We always had a good time. Aunt Carolyn was a tiny woman with a huge heart. I moved away years ago and did not see her for many years. Rest in Peace, dance with the angels, and watch over your family as their guardian angel. You will be missed.*
