“ *Marge, Jewel and I were so sorry to just recently hear of Carroll's death. There are very few people that I have known as long as I knew Carroll. We started Kindergarten together at the Grant school. He was an important part of our basketball teams at GHS first as a player and later as the efficient manager. We were good friends when we were both superintendents. In more recent years we would often see each other at the golf course and enjoy a visit. You and your fine family are in our thoughts and prayers during this difficult time.*

“ Marge, Eric, Lee, Collin, Syd and B, So very sorry to hear of the passing of Carroll... what a wonderful man. You are all so lucky to have had him in your life! Thinking of you and praying for you as you go through this difficult time. I loved reading Syd and Bennet's message and find a smile on my face thinking of him passing while watching a MSU basketball game...what a gift for you as you remember all the good times with him. “ Marge and family, We were so shocked to hear of Carroll. We had dinner with him at a recent Lions dinner and he talked about his family the entire evening: the children and grandchildren and how proud he was of all of them. Our prayers are with you all. Blessing to you. Ruth and John Hughes

“ Know that my thoughts and prayers are with you. Uncle Carroll was a very special man and he will be missed. I think of all the memories and smile: when we were still kids, camping, playing baseball, hanging out on Saturday nights to the night before his surgery when I told him I had met someone who knew him at my new job. Not only did he remember the man (who hasn't lived in Nashville for 30 years), he told me how his family and yours were connected on several levels! I agree with Bennett and Sydney that his passing peacefully away while watching his beloved Spartans go ahead in the game was a true gift from God. Much love to all of you.

“ Our heartfelt sympathies to Marge and the rest of Carroll's family. Carroll was a very unique individual and because of this, he was a special man. Even though we might have been on different sides of an issue, Carroll never lost his composure and presented his case in a very polite and dignified manner. I will miss his smile & teasing on the golf course. Respectfully, Dave Hawkins

“ Carroll was always encouraging, no matter what the situation was. I really enjoyed the long phone calls we had as my football seasons were about to begin. Even after we moved, we were still able to "talk sports". He will be greatly missed and it was a true honor to have known him. Please consider yourselves hugged by us, since we are in Florida and won't be able to hug you in person. Love, Guenther & Jan

“ Grandpa was an amazing grandpa I will always remember. He always did things that made people smile starting with growing snap peas in the back yard every year. We would always try and get grandpa to come to the Michigan State games, the team he LOVED, and have a great time. Knowing he went to God while watching the Michigan State game was extraordinary and was meant just for him. We will always miss you and love you and know you're watching from above.
