Message to the Family: Aubree says she'll always remember when she was little that Char's smile made her feel nice & she was like a pretty fairy to her. She's so glad Char got to see her again while she's in high school, and happy she got to see Char! I have so many great memories of us; shopping in Marshall, our mutual love of bracelets, picnics & barbeques with FAMILY, the backyard fire pit chats & our Tennessee trips. But the BEST was the SMILE on her face when she not only saw PENQUINS but was taken into the Aquarium VIP room to actually HOLD one! Oh, the JOY on her face was worth a million dollars! Every talented card she ever made for me, I have...FOREVER...just like my love for my "adopted sis." Terry, Chuck, Judy & (ALL the FAMILY MEMBERS), words cannot express feelings like this. I know your hearts hurt and I can only PRAY that GOD helps you to bear it. She's touched so many lives in such a POSITIVE way that no one could EVER forget her!
