“ *I have been Cindy's friend for many years. Throughout that time she was a voice for me. She was someone I looked up to. She helped me and others more than words can express. I miss her so much and today I wanted to talk about a memory I had but I couldn't. I want to now:*

She would always have the most beautiful flower gardens in her yard. I remember her love for them and the warm summer night we sat on her porch and talked about everything we could think until the sun came up and we watched the flowers wake up.

This is what I take with me forever-her ability to make you see yourself like she did those flowers-BEAUTIFUL.

“ No Voice given, no light shed to our rough path. She came with seed and sunshine. Her presence moved our quiet spaces. The weak she carried, The will to words she gave. The path she lit, Revealed at last among us the angel walks.

My dear sister I will never say goodbye you are ever my angel.

“ I thank God that I was blessed with such an amazing, beautiful, and thoughtful Best Friend as you. However it makes it that much harder to let you go. I know there must have been a reason and the Lord needed you more, your work on earth was done. I will forever treasure and cherish the years I was blessed to have you. I love you Cindy and will miss you until we meet again.
