“ Monica, Nichole, & Alissa, I am so saddened by the loss of Chad. I so much wanted to be be at his service, but we were on vacation and have just returned. I worked with him and enjoyed every minute we spent together. We would often talk (I told him since I was old enough to be his mother, I was going to act like one!) I know how much he loved all of you! I miss him bringing the girls in to the office. I have a box of his personal things here and would love to return them to you. Please let me know when you are ready to get them and I will bring them out to you. You can call me at the office 517-335-4966, cell 517-282-4455 or you can email me. I will continue to pray for you and the girls and will continue to think of Chad often!

“ To Chad's Family, I knew Chad through work at the Financial Institutions Bureau. He was always so helpful and friendly. He showed true compassion for others and was willing to go that extra mile. We spoke often about family and he felt as I do--family is the most important thing. Chad will be missed by all who knew him, but most of all by his family. Please know my thoughts and prayers are with all of you as you grieve this tragic loss.

“ To Chad's family I babysat for Chad (and Becky) in Williamston when Chad was 2 to 3 years old. Chad was a loving and beautiful child. The tributes I am reading, written by lives he touched, prove he was also a loving beautiful man. It is not the length of life, but how well it is lived that matters. Chad knew that. My prayer is that your broken hearts find comfort in Jesus Christ. In Him there is hope of eternal life for those who trust in Him. Life beyond the reach of cancer, pain, tears or sorrow...

Remember He hears your heart's cry. Yes! He does. He searcheth the heart and know the thoughts of each individual. He is Awesome. GOD!
