“ I'm so sorry to hear of Connie's passing. We used to work together at State Police in Traffic Services also known as Safety and Traffic. When I started working there, the offices were located in the concourse at the Frandor Shopping Center. We always had a lot of fun working there and a part of that was because of Connie. I will always remember that time with great fondness. My heartfelt sympathy goes out to all of Connie's family and friends. Linda (Hoag) Mollitor

“ Dear family of Connie, I work at State Police and remember working with Connie in the Private Security and Investigator Section. We licensed detectives and security guards. Connie was the Office Manager. She was a pleasure to work with. We worked hard and were always busy but Connie managed to help us joke and have fun too. Connie and Jack always came to the office Christmas parties and I remember how they both enjoyed playing card games. I'm very sorry for your loss. My thoughts and prayers are with you at this difficult time. Sue Taylor
