“ I really miss you Grandma. I loved playing cards with you. Going for walks on the trails. You made the best chilli with rice. I loved the you always had drawings we all made on paper plates up for everyone to see. I always played with dominoes and the dinasour figurines you had. You were always happy to be with family. We were all what made you happy and we all felt that and we all loved being with you. I miss you and love you Grandma.

“ Everytime I would go to grandma's house as a little girl she'd get out the toys. My favorite thing to do was build roadways and houses out of dominoes. Grandma would just watch and smile, that was enough for her. I will miss her greatly. Love your granddaughter Kristina.
