“ I was one of Cordie foster children, I can remember nights sitting at the table in the kitchen by the windows and playing cards and just talking we would talk for hours about everything and anything most of all understanding the Why's?? to life with lots of laughter but also tears and she would patiently sit there for as long as it was needed and explain. Many hours sitting there playing rummy...I wanted to Most of all Thank you for teaching me kindness in a world that you said we wont often see in return but it still was no reason to be unkind. Your an Angel and I love you and so grateful to have had you in my life. until we meet again.

“ Aunt Cordie was one of the most nicest, sweetest soul in this world. She always had a smile on her face at the Shaver Family Reunion, pleased to be out and about and visiting extended family. Last year at the reunion aunt Cordie was exiting her car I announced Aunt Cordie is here. In a change reaction everyone announced her arrival and went over to greet her. As the historian I came wait to share the sweet stories and things I learned today about her that I didn't know at our reunion. She was truly loved and appreciated. We will all miss her deeply. Our condolencesRobert & Karen Odette

Cordie has been a part of my family since 1969 when my brother David married Carol, Cordie's daughter. I would also say Cordie was a Loving caring person, and she would take any one under her wing. Over the years I saw her at every Holiday meals, and events, she always had a big smile. She will be greatly missed <3 The Drake's Bob' Tyann, Kayla, Kyle

I have more memories of my Grandma than I have time to write. There are some things that happen that give me 'warm, fuzzy feelings' and make me think of her and spending time at her house while I was growing up. Every time I walk into a store and smell baking bread I remember being in her kitchen while Grandma and my mom made bread and cabbage pies.
