“ Dale we love and miss u dearly. We will miss all the fun times he had together like going for our walks on the river trail. The way u laughed at Mike when he was working on your house and he had gotten shocked. The frog song u use to sing to me when i called me. "how much is that froggy in the window?" We will miss that u wont get to c your grandchildren grow up. Brayden misses u a lot he asks for u. I loved the way Elizabeth a.k.a your little Tad pole smiled at u. I hope u r having a great time up in heaven with your family. Well Dale u will never b forgotten u have a very special place in all of our hearts. WE LOVE YOU DALE WAYNE BURT!!!

“ Sorry to hear of Dale's passing. I had my share of classes with Dale in school, but the best was Band. There was always more giggles and pranks than notes from the trombone section.

“ I went to school with Dale until we moved when I was 14. Dale was a really nice guy. I knew his brother Randy from when he worked at Carl's on Main Street and would sell me Reese's peanut butter cups on my way to school every morning. How lucky this world was to have him for 50 short years. How lucky we were to know Dale.
