“ So many childhood memories.. the farm in Hastings. Danny's strong will got him through many moments in his life. I went to my first heavy metal concert with somebody, and ran into Danny there. He showed me how to enjoy the music, and appreciate life. I admired his bad boy... his "I can do anything attitude".  
Jam on Danny, love you~

“ To all of Dan's family, I am so very sorry for your loss. Dan was a generous, loving friend and I will never forget him. I made a donation to MusiCares in Dan's name. They help musician industry members at all levels who are struggling with health and financial problems. I wish they'd been around when Dan was waiting on his disability.
