“ I am so sad to hear of David's passing. I remember family gatherings at Grandma Bruce's house when us cousins would run around playing outside. We had great fun and got into lots of mischief.
My thoughts and prayers are with all of David's family. May he rest in peace.

Love,
Melinda DeMarse (Bill and Marlene Bruce's daughter)

“ I still can't believe that you're gone, the last 6 months were horrible for all of us but I know it's best now that you are not in pain. I miss our conversations but we will still have them as I know you are listening. You are the strongest man that I know and you are a great father, is kids were just a major pain... You did a really great job. Oh and by the way I'll make sure your deer mount will stay safe the rest of my life ;) I love you old man.
