

## David Thomas Harold Frentress

August 28, 1981 - January 31, 2025

David Thomas Harold Frentress, 43, of Kalamazoo, a man of the outdoors and beloved son, brother and uncle, died on Friday, January 31, 2025 in Kalamazoo. David was born August 28th, 1981, the son of David and Brenda (Warden) Frentress in Lansing, MI. Growing up, David enjoyed fishing, especially fly fishing on the family's lake lot. The family holds many fond memories of time around the bonfire with David, telling stories and enjoying nature. David graduated from Olivet High School in 2000, where he was a gifted athlete on the football and wrestling teams. He went on to attend Western Michigan University and worked in various positions throughout the Kalamazoo area. David was a die-hard Lions fan, and loved watching the games with his friends and family. Although David didn't have his own children, he adored his nieces and nephews. Above all else, David was a kind hearted person who always meant well and cared deeply for others. He will truly be missed and live in our hearts forever.

David is survived by his parents, Dave and Brenda Frentress; sister, Suzzette Camburn of Battle Creek; brothers, Jason (Anna) Frentress of Sweden, Darren (Rebecca) Frentress of Bellevue and Joseph (Marie) Frentress of Nevada; nieces and nephews, Willow, Sage, Lane, Luke, Hannah, Savanna, Zachery and Sebastian; and numerous aunts, uncles and cousins. He was predeceased by paternal and maternal grandparents and brother-in-law Ron Curtis.

“ I remember traveling with David in the back of the giant Suburban from school or sports, David was so full of "knowledge ". Did you know kind of things. I was always curious in a time before Google, where was he getting all this crazy information. Most of the time not knowing if it was real or imagined - always bringing a smile to my face.

“ *I have so many memories with Dave growing up all through high school and even off at college. He taught me how to do donuts in my truck and yet somehow managed to help keep me out of trouble! He was like a big brother, always looking out for me. Over the years we kept in close contact and his friendship meant so much. I'm so thankful I got to call him one of my closest friends and he will be greatly missed!*

“ My memories of Dave are never ending. From high school dances, countless date nights, time spent on the water and endless music sharing. Not only was he my first love, but my best friend for many many years. I will always be grateful for the time we spent together and the memories created. I am happy we reconnected later in life and we able to continue a friendship. He passing seems unreal. Love to the entire family!
