“ Dear Kristine and Family, Our neighborhood will not be the same without seeing Harley working outdoors in his yard. He enjoyed it so much. We will certainly miss seeing him. We hope only good things are in your future.

“ I am sorry to hear of your loss. I worked with Harley at G.M. for several years before my retirement. He was quite outspoken on some issues but also showed a kinder gentler side. He will be missed by all.

“ Dear Tanya and family I pray God will heal your hearts and mind and bring peace and understanding to you and your family at this time of need just know that david is no longer in pain and he is watching you from heavens gates and keeping his family safe here is my favorite poem i want to share with you GOD saw you were getting tired,And a cure was not to be. So he put His arms around you and whispered, "Come with me" With tearful eyes,we watched you fade away. Although we loved you dearly we could not make you stay.A golden heart stopped beating,Hard working hands came to res. God broke our hearts to prove to us He only takes the best
