“ Just been thinking about you. For some reason I think about you a lot. You were a great friend and I wish that we wouldn't have lost touch in those last few years. Maybe I could have said or done something that would have helped. I still regret not having found out about what happened 'til after your funeral. It's been over 10 years and I still feel terrible about not getting a chance to say good bye. I guess this is my way of saying it, albeit 10 years late. Better late than never I guess. Me and Marilyn are still going strong. We just celebrated our 30th anniversary! Matthew and Kevin are both doing well. 28 and 26 years old now. I can't believe that! I've put on a few pounds and got a little gray, but other than that I don't look too bad for a guy in his 50's. Marilyn is still beautiful as always. Occasionally we reminisce about the old days: Chateau Estates, Tri-State Furniture, Cardona's, the parties in Fowlerville. All those memories and they all involve you and Rita. I miss ya lots, buddy, and I hope you are at peace. Your Friend Always, Gordie

Hey Gordie. Just read this. Miss Dave too but have now been married 22 years. Aaron 32, Em 28 and Elizabeth 26. 4 beautiful grandkids. Would love to talk sometime. Maybe I should have called back then but I was a wreck.
