“ *Prayers of comfort for all of you Sue. I have the best memories of your mom being like a 2nd mother to me when we were growing up. Every time I stopped when I was traveling through I couldn't leave without garden goodies or a piece of whatever she was making. I cannot make it tomorrow but I will be there in spirit, and I will be down soon to see you. Love, Del*

“ Deana will be missed. Deana always greeted you with a Smile and kind words. Early in our marriage Deana gave us great advice, which we use to this day. Juan just said the other day to our grandson, “your cute but,” then he said Deana used to say that... We hope for peace and healing for Deana’s family.

“ I worked with Deana at Farm Bureau for many years. She was a great person, with a wonderful personality. After she retired I again ran into her at Hospice in the gift shop. Always a smile on her face. She will be missed by many who had the pleasure of her company. God Bless the family through this difficult time.
