“ *Dear Debi - I had NO idea (obviously) you had passed. My heart dropped. Kept calling your number to no avail. Sent you a Christmas card which was returned. SO very sorry I didn't make the time to come and see you as we had talked about on Facebook. Too many regrets in this life; hopefully we can make up for those with our Lord. Will definitely have a Latin Traditional Mass said for you and keep you forever in my prayers. Eternal rest be yours and may God's Loving Face forever shine upon you. Until we meet again Sweetness - Love Maraloy*

“ Cathy, Lisa - I am so sorry for your loss. I am truly saddened and still in shock by the news of Debi's passing. It was great to be able to connect with her on facebook after all these years. She will be missed by everyone that knew her, I know I will miss her and all the pics she posted of Angel and the family. I remember when we would come to your Mom and Dad's house in Charlotte that she would sit and color with me (I'm Dorothy Ronnings daughter). Hope to stay in contact with you. May prayers are with you and the rest of the family during this time.

“ I remember Debbie singing her heart out at the Eagles with her Dad, Dick. She had a beautiful voice. Truly, a songbird. She will be singing in heaven with her Mom and Dad and Ray Wolever will open his arms to greet her. RIP Deb, with the rest of our Angels.
