

Dixie Lee Berg

January 23, 1953 - July 3, 2019

Dixie Lee Berg, 66 of Charlotte, a kind lady with a “happy-go-lucky” attitude, died July 3, 2019. She was born January 23, 1953 in Charlotte to David and Julia (Smith) Berg. She attended Potterville Schools, and later became a Nanny. Kind at heart and very good natured, her only evil was to hide candy to save it for later, even though she shouldn’t have it. Dixie had disabilities, but she always kept a good outlook and cherished her independence and being able to live on her own. She was a person of strong faith and some may remember her dressing as a clown for local special events. She loved her cat, Max, going to yard sales, and collecting Precious Moments figures and China Dolls.

Dixie is survived by her sister, Diana Dye; brothers, David Keeton and Kevin (Melanie) Berg; 11 nieces and nephews; and many great nieces and nephews. She was predeceased by her parents.

A memorial service is planned for Sunday, July 21, 2019, 4:00 PM at the South Cochran Church of God in Charlotte. If desired, the family suggests memorial contributions to the Diabetes Foundation. Friends and family are asked to share memories of Dixie on her Tribute Page at www.PrayFuneral.com. The family is in the care of Pray Funeral Home, Charlotte.

“ We will all miss Dixie's kind heart and fun-loving spirit. She had the best giggle! Dixie enjoyed life until the very end and always talked lovingly about her friends and family. Her PACE friends will all miss her dearly. We send our comforting thoughts to her family during this sad time.

“ Oh Dixie, I will miss u, your smile and upbeat attitude despite your being in a wheelchair and all. I believe that God took u straight home where u belong. My prayers for u and your family and friends always. And u had a chance to put those new glasses to use and u were coloring such nice pictures that u showed me several times. With love ❤️, Jan, apartment 28, Sugar Mil.

“ I am sorry to hear of Dixie's passing. Dixie was a kind person. I remember riding on the school bus with her and how chipper she was every day.

I loved Dixie like a sister. Her childlike love for people and laughter and love of the Lord will always have a place in my heart and memory. We were roommates for awhile and dear friends for many years vi had a singles ministry when I met her and she never missed a meeting. She will be missed so very much. I was trying for some time to reach her. We had been going down memory lane and just found out why her phone was no longer in service. Love you girl. See you soon.

Pastor Renee - I just saw this too. She was a special kind of person, so child like in so many ways. I can just see her now with her nose all wrinkled up giggling at Jesus just because He's cool. She always thought all you needed to do was to be kind to someone and try real hard and they would finally smile. Miss her for sure
