“ *Thanks for your story George. My mom was an amazing person and I am happy that I am still learning things about her after all these years. I have boxes and boxes of pictures and letters she wrote or saved. When I was in Africa, my mom wrote to me once a week. We didn't talk quite so often in the past few years, but that didn't matter. Thanks for reminding me that love lasts a lifetime.*

“ *Dolores and I went yo a movie, about 1944 she rode on the cross bar , from henry St. to the theater . It cost me .09 cts each plus a .05 cts for popcorn for a total .23 cts. I recall that I took a frankie laine record to her house . her Mother made us take it off ; Peggy thought it was too risque. I loved Dolores always , She will be deeply missed by all her classmates. “ Our thoughts and prayers are with you all. I feel so blessed to have known Delores, your grandmother, Peggy and my step-father, Phil. Delores and Phil always had such wonderful things to say about their family. Peggy, herself, was so full of life and such a wonderful spirit; it is easy to see why her children touched so many lives. All of them were so very generous and that generosity speaks volumes about the kind of people they were to others. Thank you, dear Delores for loving my mother and becoming the sister she never had. My family will never forget the love and support she gave to my mother. With Blessings and Prayers of Healing, Maria Frazer and Family

“ Dear David, John, Carol, Paul, Peter, Laura, Mira, Julia, and Jacob, I thank God every day for the gift of memory! It is cherished memories that comfort us when a loved one passes from our sight, but not from our heart's memory. Marriage brought Dolores and I together as sisters-in-law; but our love for Peggy, Phil, and each other made our connection as "sisters." Matthew 5:4 says, "Blessed are those who mourn, for they will be comforted." It is her smile, her humor, her love of tennis, the Detroit Tigers, classical literature, history, flowers, birds, and pets that I cherish. It is her deep feelings for her parents, Phil, her children, grandchildren, and friends I will remember. It is the many, many memories she shared about Peggy, Julius, Phil, and her during the growing up years in Charlotte. Yes, I thank God for the gift of memory and for your dear Mother and Grandmother. Love, Genie

“ *Life is eternal, and love is immortal And death is only a boundary line, And a boundary line is nothing, Just the limit of our sight.* " She has passed from our sight, but not from our hearts!
