“ I've known Duck for 40 years and he was a good soul. Always treated me great and with respect. I use to keep score for some of the baseball teams and he was funny. Sonya Napier Henney

“ My condolences to Don's family. I loved Don's humor and the times we played baseball and softball against one another. I haven't seen him in almost 30 years but that photo is all Don, minus the beard of course. Reg Hamilton

“ My deepest sympathy to the Moist family on Don's passing. We had some great times playing softball and working together .We would run into one another at Quality Dairy and talk about friends and family and laugh together. I lost my dad back in May, who also worked with me and Don. I hope they meet up with each other and talk about the good times we had. (LARRY RANSHAW)
