“ I was shocked when I heard today, October 18, of your parents passing. Due to the sale, I was kind of expecting it to hear one passed but not both. I will miss them dearly. I've talked to the both of them numerous times walking or driving by. I recently (probably June) talked with your mother. So glad I stopped and chatted even for a few minutes. If you need anything of help for the sale, please let me know. Pete
