“ *Dorothy was a part of our Ingham Regional Assisted Living family. She will be missed by all of us. Although I didn't know her for very long she always could put a smile on my face. Loved sitting on the back patio on sunny days for hours enjoying a glass of lemonade. She would love it when the family would come visit. She enjoy talking about her family and how proud she was. She hard a hard shell on the outside but a heart of gold inside. I hope your sitting by a lake enjoying a lemonade with your husband.*
