“ *Although we all pass from this world and though Dorothy had a longer time on this Earth than many are given, it still saddens me that she is gone. I am thankful for all the times I spent with her, however brief. As I grew older, I enjoyed our conversations even more and got to know her other than as a family member. I got to know her simply as a human being, an interesting woman and a kind spirit. I send my love to Sherry and to all Dorothy's grandchildren. I also send love to her sister, my Aunt Joyce, to her surviving King family and my Wilmore family who all miss her deeply. Thank you, as always, to Pray Funeral Home, who has served our family so well, for so many years.*
